

BETH JACOB HIGH SCHOOL

proudly presents

... a presentation in music
and dance of the dramatic life of Baron Abraham
von Karf, a young man faced with a decision which
could change his life: Will he be lured by the
misleading melodies of a life of luxury and ease,
or choose an encore, to sing the true song once more,
forever

Our deepest appreciation is extended to every member
of the Bais Vaakov student body for donating their
time and energy in selling tickets and in countless
miscellaneous ways to insure the success of this play.

Special thanks to all those-administrators, teachers,
parents, etc.-without whose patience, guidance, and
understanding this play would not have been possible.

TYPIST: SHAINDY GOLD

understanding this play would not have been possible. parents, etc. without those conditions, guidance and special thanks to all those who have helped, teachers.

measures may be taken to insure the success of this play. time and energy in selling tickets and in collecting of the Shawano Ogdan body for donating this. The deepest appreciation is extended to every member.
